Who knew love would come walking thru' my door
Turn a light on somewhere down inside
And give me a feeling, I'd never had before
It was a long wait, it was just the wrong time

But I hope you'll hold me now
Somewhere within
And when you think about
What might have been

Cry a river
Flood the sea
Cry a river over me

Take the bitter
With the sweet
And cry a river over me

And how do you argue with a feeling in your bones
'Bout what is and what isn't meant to be
Some things you live with, but you never let it show
Like the pain I felt, the day I watched you leave

But I hope you'll think of me
When tender winds blow
Sit on the shores of love
And just let it go

Cry a river
Flood the sea
Cry a river over me

Take the bitter
With the sweet
And cry a river over me

Cry a river
Flood the sea
Cry a river over me

Take the bitter
With the sweet

And cry a river over me

Cry a river
Flood the sea
Cry a river over me

Take the bitter
With the sweet
And cry a river over me
