Well, I'd like to figure out where we stand
Before darkness falls
And I'd like to figure out
Before too late
Before hope is lost
Cause the sun that's shining on my face
Is shining down on you

And the fruit that gives me strength to live
Is giving you strength too
Can we find a way to find a compromise
Tho' we don't see eye to eye
Eye to eye

Well, I'd like to figure out a way
To leave a troubled past behind
To forget those angry words and wars we fought
Across the battle lines
Cause tomorrow we could find a road to peace
For you and me
And our children in their innocence
Will follow what they see
Oh, we've got to find a way to live our lives
Tho' we don't see eye to eye

Oh...how easy it would be
To close the door and walk away
I can't walk out when I believe
You are my brother
And we owe it to each other
We've got to try
Tho' we don't see eye to eye
Eye to eye

Oh...how easy it would be
To close the door and walk away
I can't walk out when I believe
You are my brother
And we owe it to each other
We've got to try
Tho' we don't see eye to eye
Eye to eye

Eye to eye

Well, I'd like to find a way
Tho' we don't see eye to eye
Eye to eye

Well, I'd like to figure out where we stand
Before darkness falls...
