Father, blessed Father, It's morning again. I give you, Father, myself, Father, Continue Your plan.

I know together we can climb mountains in the sky. No one can stop us when I'm standing by your side.

Trouble's knocking here again; I'll tell him Jesus has me by His hand. He'll walk me through.

Father, loving Father, Create in me A pure love, Father, your love, Father, Instill it in me.

I remember the nights I've cried for you; Now I only have to die for you; Thank you, Lord, you've made it clear just for me.

I see the light; It's burning out the night.

Oh, Father, It's morning.

Morning. Morning.

Morning.

Morning.

Morning. Morning.

Morning.
