The skies don't seem to be as dark as usual  
The stars seem brighter than they've been before  
And deep within I feel my soul is stirring  
As though my hope has been restored

The shepherds say they've heard the voice of angels  
Confirming rumors spread across the land  
That a child protected well from Herod's anger  
Is our Father's Son and the Son of Man

Love is raining down on the world tonight  
There's a presence here I can tell  
God is in us  
God is for us  
God is with us, Emmanuel

He's the savior we have been praying for  
In our humble hearts, He will dwell  
God is in us  
God is for us  
God is with us, Emmanuel

I feel compelled to tell all who will listen  
That peace on Earth is not so out of reach  
If we can find grace and mercy and forgiveness  
He has come to say He is all of these

Love is raining down on the world tonight  
There's a presence here I can tell  
God is in us  
God is for us  
God is with us, Emmanuel

He's the savior we have been praying for  
In our humble hearts, He will dwell  
God is in us  
God is for us  
God is with us, Emmanuel

Love is raining down on the world tonight  
There's a presence here I can tell

God is in us  
God is for us  
God is with us, Emmanuel

He's the savior we have been praying for  
In our humble hearts, He will dwell  
God is in us  
God is for us  
God is with us, Emmanuel

God is in us  
God is for us  
God is with us, Emmanuel
