All my life-time plans
I got 'em in my hands
Balancing my fate upon a wire

Got to let it go
Everywhere I turn I see
There's nowhere left to go
All my dreams are far
Too much for me to hold
Still I hate to drop them
Weren't they from you?
What did I do?

You are the one that can see
Into the heart of me
Am I really giving up tomorrow?

Got, got, got to let it go
This is gonna hurt a little
Still it's right I know
(Got to let it)
Even though I fear
Too much of me might show
I can't wait any longer for it
I've had enough
I'll give it up

Lord, here's my heart
I've been keeping it from you
And I got to let it go
Holding on just breaks me, worry
Got to let it go
Come and take it from me, hurry
Got to let it go
(Go to let it go)
Got to let it go
Got to give up all of my control

Holding on too tight
Where do I lose sight?
Where's the lamb that seems to bring for frustration

Go to let it go
The best of dreams can turn to nightmares
When my heart takes hold
How long must I learn?
This lesson's getting old
I've got to catch a clearer vision
I'm in your hands

You're in command

Lord, here's my heart
I've been keeping it from you
And I got to let it go
Got to let it go
Got to let it go
Got to let it go

Lord, here's my heart
(Here's my heart, here's my heart)
I've been keeping it from you
(Keeping it, keeping it)
And I got to let it go
Holding on just breaks me, worry
Got to let it go
Come and take it from me, hurry
Got to let it go
Oh, I've got to let it go
Got to give up all of my control

Lord, here's my heart
(Here's my heart, here's my heart, here's my heart)
I've been keeping it from you
(Keeping it, keeping it)
And I got to let it go
Holding on just breaks me, worry
Got to let it go
Come and take it from me, hurry
Got to let it go
Oh, I've got to let it go
Got to give up all of my control

Lord, here's my heart
(Here's my heart, here's my heart, here's my heart)
I've been keeping it from you
(Keeping it, keeping it)
And I got to let it go
Holding on just breaks me, worry
Got to let it go
Come and take it from me, hurry
Got to let it go
Oh, I've got to let it go

Got to give up all of my control
