Lead me to the ones I need
And to the one who's needing me.
I won't assume the worst is true,
And do the best that I can do.

A word of kindness, I believe,
Is heard throughout eternity...

Hey, hey
This is how I greet the day,
I greet the day...

Lead me to the ones I need
And to the one who's needing me.
And everything that gets me through
Gladly, I receive from You.
All the mercy, all the love,
Pouring down to fill us up...

Hey, hey
This is how I greet the day,
I greet the day...

Hello sunshine
Hello rain
Glad to see you,
Either way

Lead me to the ones I need
And to the one who's needing me

Hey, hey
This is how I greet the day,
I greet the day
Come on, greet the day
Let's greet the day

Hello sunshine
Hello rain
Hello every single day

Lead me to the ones I need
And to the one who's needing me.
I won't assume the worst is true,
And do the best that I can do.
