Well, I'll bet you any amount of money  
He'll be coming back to you  
I know there ain't no doubt about it  
Sometimes life is funny  
You think you're in your darkest hour  
When the lights are coming on in the house of love  
House of love

You've been up all night  
Thinking it was over  
He's been out of sight  
At least for the moment

But when something is strong  
Gets a hold on you  
The odds are ninety-nine to one  
It's got a hold on him too

Well, I'll bet you any amount of money  
He'll be coming back to you  
I know there ain't no doubt about it  
Sometimes life is funny  
You think you're in your darkest hour  
When the lights are coming on in the house of love  
When the lights are coming on in the house of love

Now when the house is dark  
And you're all alone inside  
You've gotta listen to your heart  
And put away your foolish pride

Though the storm is breaking  
And thunder shakes the walls  
Love with a firm foundation

Ain't never, never, never gonna fall

Well, I'll bet you any amount of money  
He'll be coming back to you  
I know there ain't no doubt about it  
Sometimes life is funny  
You think you're in your darkest hour

When the lights are coming on in the house of love  
When the lights are coming on in the house of love

Though the storm is breaking  
And thunder shakes the walls  
Love with a firm foundation  
Ain't never, never, never gonna fall

Well, I'll bet you any amount of money  
He'll be coming back to you  
I know there ain't no doubt about it  
Sometimes life is funny  
You think you're in your darkest hour  
When the lights are coming  
Lights are coming on

I'll bet you  
He'll come back to you, back to you  
There ain't no doubt about it  
Sometimes life is funny  
You think you're in your darkest hour  
When the lights are coming on in the house of love

I know there ain't no doubt about it  
Sometimes life is funny  
You think you're in your darkest hour
