Do you have a heavy heart  
'Cause you tried to play the part  
Of a life that you don't know  
And now it's scaring you  
'Cause you're saying all the right words  
But no one's ever heard  
The voice that's crying out inside your heart

#### CHORUS

(Saying) Please don't make me die for You  
I've gotta make You see  
That there's a part of me I never wanna lose  
But if I have to die for You  
Somehow let me see  
That You're more than words, I need a glimpse of You

But it's a Sunday Church again  
And the habit to pretend  
Is stronger than you knew, look how it's ruling you  
But it's friends you try to blame  
Oh, I've done it just the same  
'Cause it's easier than answering to Him

#### BRIDGE

You think that they're playing games  
They leave and never act the same  
And you don't want a part of their show  
Yes you think there's something more  
But not inside these Holy doors  
Well what are you looking for  
Yes we have to die for Him  
That's the struggle that you see  
'Cause it's the hardest thing we'll ever have to do  
But no it's not impossible  
He's been waiting so long for you  
But don't be afraid  
'Cause He knows the pain  
Because He had to do it for you
