It must have happened sometime in the night,
No one saw the stone be rolled away.
When the grave saw morning light,
The skeptics and friends all had to say,

It's a miracle,
It's a miracle,
It's a miracle happened today.
It's a miracle,
It's a miracle,
He took the stone, and He rolled it away.

My soul is like a tomb in constant night;
Till one day the stone was rolled away.
Then my heart saw morning light,
And no one alive can explain it away.

It's a miracle,
It's a miracle,
It's a miracle happened today.
It's a miracle,
It's a miracle,
He took the stone, and He rolled it away.

Now, now won't you see,
What I'm trying to say?
If you believe, it could happen today!

It's a miracle,
It's a miracle,
It's a miracle happened today.
It's a miracle,
What a miracle,
He took the stone, and He rolled it away.

It's a miracle,
What a miracle,
It's a miracle happened today.
It's a miracle,
What a miracle,
He took the stone, and He rolled it away.

(It's a miracle,) You know it's really a miracle,
A miracle, a miracle,
(It's a miracle,) You know it's really a miracle,
He took the stone, and He rolled it away.

(It's a miracle,) You know it's really a miracle,
A miracle, a miracle,
(It's a miracle,) You know it's really a miracle,
He took the stone, and He rolled it away.
