Keep It On Going By Amy Grant
(A one...two three four.)

Someone's got to keep it on going,
Just as long as they're folks who haven't heard.
So you can count on me, 'cause He's showing
There's so many ways to spread His Word.

Don't you know that
Someone's got to keep it on going, (keep it going)
Just as long as they're folks who haven't heard.
So you can count on me, 'cause He's showing
There's so many ways to spread His Word.

Don't you really know that
Someone's got to keep it on going, (soooooomeone!)
(keep it going)
Just as long as they're folks who haven't heard.
So you can count on me, 'cause He's showing
There's so many ways to spread His Word.

Got to listen to me,
Someone's got to keep it on going, (soooooomeone!)
(keep it going)
Just as long as they're folks who haven't heard.
So you can count on me, 'cause He's showing
There's so many ways to spread His Word.

Yeah.
