It's a cold, cold world
That we walk in through
Lay down the burden of your heart
But it's warm as toast
Walking two by two
Lay down the burden of your heart

Lay down the burden of your heart
I know you'll never miss it
Show your daddy where it hurts
And let your daddy lift it

It's a fine, fine line
Betwixt love and hate
Why, it's tough to tell the two apart
But you know it's love

That he offers you
Lay down the burden of your heart

Lay down the burden of your heart
I know you'll never miss it
Show your daddy where it hurts
And let your daddy lift it

Lay down the burden of your heart
I know you'll never miss it
Show your daddy where it hurts
And let your daddy lift it

Show your daddy where it hurts
And let your daddy lift it
