There's never been a doubt,  
But sometimes I feel afraid.  
We need to talk it out;  
That always makes it okay.

Sometimes friends don't understand  
The love I have for you,  
But everywhere I go, I know,  
I just want more of you.

I will never give you up, Lord,  
Not in a million years.  
I will never give you up, never give you up,  
Not for as long as I live.  
I will never give you up, Lord,  
Not in a million years,  
'Cause you have put this love inside my heart.

(Oooo-oooh, oooo-oooh, oooo-oooh.)

I know you know me well;  
You know the struggle that's in my mind.  
But since you hold my heart,  
I'll leave the struggles behind.

I don't have to understand  
This love I have for you,  
'Cause everywhere I go, I know,  
I just need more of you.

I will never give you up, Lord,  
Not in a million years.  
I will never give you up, never give you up,  
For as long as I live.  
I'm so glad I found you. (So glad I found you.)  
Want to build my life around you. (Oooo-oooh.)  
Oh, you've got to know  
That I'll never let go of you. (Never let go.)

Oh, I will never give you up, Lord,  
Not for a million years.  
I will never give you up, never give you up,

For as long as I live.  
I will never give you up, Lord,  
Not for a million years,  
'Cause you have put this love inside my heart.

(Never give you up, Lord,)  
For a million years.  
I will (never give you up, never give you up,)  
For as long as I live.  
I will (never give you up, Lord,)  
For a million years,  
'Cause you have put this love inside my heart.

(Never give you up, Lord,)  
For a million years.  
I will (never give you up, never give you up,)  
For as long as I live.
