Amy Grant & Peter Cetera  
Love, like a road that never ends  
How it leads me back again to heartache  
I'll never understand  
Darling I put my heart upon the shelf  
Til the moment was right and I tell myself

Next time I fall in love  
I'll know better what to do  
Next time I fall in love, ooh  
The next time I fall in love  
The next time I fall in love it will be with you

Now as I look into your eyes  
Well I wonder if it's wise  
To hold you like I've wanted to before  
Tonight I was thinking that you might  
Be the one who breathes life in this heart of mine

Next time I fall in love  
I'll know better what to do  
Next time I fall in love, ooh  
The next time I fall in love  
The next time I fall in love it will be with you

Next time I'm gonna follow through  
And if it drives me crazy  
I will know better why the next time I try

Next time I fall in love  
I'll know better what to do  
Next time I fall in love, ooh  
The next time I fall in love  
The next time I fall in love it will be with you

Next time I fall in love, oh, oh, oh  
Next time I fall in love, ooh
