I've always known, It's no surprise  
It's just my pride keeps me from showin'  
Time after time, I've tried to disguise  
But it's your love that keeps me goin'

When I find myself in doubt  
Your love comes and pulls me out  
And when I turn away  
You give more and more love every day  
Every day

Nobody loves me like you  
Nobody loves me like you do  
Nobody loves me like you  
Nobody loves me like you do

Nobody loves me like you  
No one ever loved me  
The way you do  
Ohhh  
No one ever loved me  
No one ever loved me  
Loved me like you do

Nobody loves me like you  
Nobody loves me like you do  
Nobody loves me like you  
Nobody loves me like you do

All of my life I've needed you  
Sometimes I know that I don't show it  
I love you, Lord, for all that you do  
And I want the whole world to know it

When I find myself in doubt  
Your love comes and pulls me out  
And when I turn away  
You give more and more love every day  
Every day

Nobody loves me like you

Nobody loves me like you do  
Nobody loves me like you  
Nobody loves me like you do

Nobody loves me like you  
(Nobody loves me) Nobody loves me like you  
Nobody loves me like you  
Nobody loves me like you do

Nobody loves me like you  
(Nobody loves me) Nobody loves me like you  
Nobody loves me like you  
Nobody loves me, loves me like you

Thank you very much  
Goodnight
