I had laid some mighty plans
Thought I held them in my hands
Then my world began to crumble all away

I tried to build it back again
I couldn't bear to see it end
How it hurt to know, you wanted it that way

And I'm so glad
Glad to find the reason
That I'm happy-sad
That you've torn it all away

And I'm so glad
Though it hurts to know
I'm leaving
Everything I ever thought that I would be

Once I held it in my hand
It was a kingdom made of sand
But now, you've blown it all away
I can't believe that I can say that I'm glad

Long before my plans were made
I know a master plan was laid
With a power that superseded my control
And if that truth could pierce my heart
I wouldn't wander from the start
Trying desperately to make it on my own

And I'm so glad
Glad to find the reason
That I'm happy-sad
That you've torn it all away

And I'm so glad
Though it hurts to know
I'm leaving
Everything I ever thought that I would be

Once I held it in my hand
It was a kingdom made of sand

But now, you've blown it all away
I can't believe that I can say that I'm glad

So glad
Oh, I'm so glad
So glad
Oh, I'm so glad
Yes, I'm glad
So very, very glad

La, la, la
La, la, la
La, la la, la la
La la, la la
Da, da, da
