Mom put down the paper
Just to help me find my shoes
Kim likes chocolate doughnuts
So her cousin gave her two
And Grandpa played with Julio
He took him to the park
If you forgot to thank someone
Say thank you in the dark

Thank the moon
Thank the sun
Most of all thank someone
Like the stars high above
One for everyone you love

Gretchen taught a funny song
To Jack and Eleanor
Anne brought Andy comics
When he had to stay indoors
And Mrs. Rose helped Dana
When she waded out too deep
If you forgot to thank someone
Say thank you in your sleep

Thank the moon
Thank the sun
Most of all thank someone
Like the stars high above
One for everyone you love

Friends are like a family
Families are like friends
All the world's your family
The chain will never end
When the night is lonely
And you're feeling miles apart
If you forgot to thank someone
Say thank you in your heart

Thank the moon (thank the moon)
Thank the sun (thank the sun)

Most of all thank someone (thank someone)
Like the stars high above
One for everyone you love

Thank the moon (thank the moon)
Thank the sun (thank the sun)
Most of all thank someone (I think you better thank
someone)
Like the stars high above
One for everyone you love
