I can see the tears upon your face,  
No hiding place,  
You're afraid that soon I will be gone,  
Time will still move one.

You're searching for the answers you can't find,  
All in good time.

(Chorus)

What's the worse thing that could happen,  
If they say my time is through,  
Can they take away the love,  
Or the years I've shared with you,

What's the worse thing that could happen,  
What's the worse that they could do.  
Threaten me with heaven if they wanted to,  
Threaten me with heaven,  
I'll be waiting on you.

I hear angels through the window pane,  
Calling my name,  
Someday when they call that name in song,  
I won't be alone.

And if by chance a miracle appears,  
I'll dry your tears.

Chorus

What's the worse thing that could happen,  
What's the worse that they could do.  
Threaten me with heaven if they wanted to,  
Threaten me with heaven, that's all they can do,  
Threaten me with heaven,  
I'll be waiting on you.

The worse thing that could happen,  
If they say our time is through,  
Can they take away the love,  
Or the years I've shared with you,

What's the worse thing that could happen,  
What's the worse that they could do.  
Threaten me with heaven if they wanted to,  
Threaten me with heaven, that's all they can do,  
Threaten me with heaven, I believe that it's true,  
Threaten me with heaven,  
I'll be waiting on you.
