Well, it's too late for walkin' in the middle  
Too late to try  
And it's too late for sittin' in the balance  
No more middle line

Oh, it's too late for walkin' on fences  
Time to choose your side  
And it's too late for flirtin' with the darkness  
Make up your mind

Oh, the time has come for makin' a decision  
And you say, you've found the light  
But the talk is cheap when I see the way you're livin'  
Walkin' in the night

'Cause it's too late for walkin' in the middle  
Too late to try  
And it's too late for sittin' in the balance  
No more middle line

Oh, oh, it's too late  
You know that it's too late for thinkin'  
You can walk on the line  
Better get wise

You may think, you can live by your feelings  
Different every night  
But an emotional religion will crumble at our feet  
When we're made to stand and fight

'Cause it's too late for walkin' on fences  
Time to choose you side  
And it's too late for flirtin' with the darkness  
Please make up your mind  
Oh, oh, oh it's too late  
Don't you know that it's too late for thinkin'  
You can walk on that line?  
Better get wise

Oh, it's too late for walkin' in the middle  
Too late to try  
And it's too late for sittin' in the balance

No more middle line

Oh, it's too late for walkin' on fences  
Time to choose your side  
And it's too late for flirtin' with the darkness  
Please make up your mind

And it's too late for walkin' in the middle  
Too late to try  
And it's too late for sittin' in the balance  
No more middle line

Oh, it's too late for walkin' on fences  
Time to choose your side  
And it's too late for flirtin' with the darkness  
Please make up your mind

Too late for walkin' in the middle  
Too late to try  
And it's too late for sittin' in the balance  
No more middle line

Oh, it's too late for walkin' on fences  
Time to choose your side  
And it's too late for flirtin' with the darkness  
Please make up your mind
