What a difference You've made in my life  
What a difference You've made in my life  
You're my sunshine day and night  
Oh what a difference You've made in my life

What a change You have made in my heart  
What a change You have made in my heart  
You replaced all the broken parts  
Oh what a change You have made in my heart

Love to me was just a word in a song  
That had been way over used  
But you gave love a meaning  
So I've joined in the singing  
That's why I want to spread the news

#### CHORUS

What a difference You've made in my life  
What a difference You've made in my life  
You're my sunshine day and night  
Oh what a difference You've made

#### CHORUS
