What a difference You've made in my life  
What a difference You've made in my life  
You're my sunshine day and night  
Oh, what a difference You've made in my life

What a change He has made in my heart  
What a change He has made in my heart  
He replaced all the broken parts  
Oh, what a change He has made in my heart

Love to me was just a word in a song  
That had been way overused  
But You gave love a meaning so I joined in the singing  
That's why I wanna spread the news

What a difference You've made in my life  
And what a difference You've made in my life  
You're my sunshine day and night  
What a difference You've made

What a difference You've made  
What a difference You've made  
Oh what a difference You've made in my life  
In my life, in my life
