Amy Grant & Vince Gill  
When I look into your heart  
I see us holding each other  
I can finally see forever  
When I look into your heart

I've seen the moon dance over water  
I've watched the morning sun slip through the trees  
But the sight of you is the vision  
That takes me to my knees

When I look into your heart  
I see us holding each other  
I can finally see forever  
When I look into your heart

I've never known such comfort  
And I've never felt such relief  
I've never felt so connected  
I've never known such peace

When I look into your heart  
I see us holding each other  
I can finally see forever  
When I look into your heart  
I can finally see forever  
When I look into your heart
