Well, I bet you any amount of money
He'll be coming back to you
Ooh, I know there ain't no doubt about it
Sometimes life is funny

You think you're in your darkest hour
When the lights are coming on in the house of love
Ooh, house of love

You've been up all night, thinking it was over
He's been out of sight, at least for the moment
But when something this strong, ooh, gets a hold on
you
The odds are ninety-nine to one, it's got a hold on him
too

Well, I bet you any amount of money
He'll be coming back to you
Ooh, I know there ain't no doubt about it
Sometimes life is funny

You think you're in your darkest hour
When the lights are coming on in the house of love
When the lights are coming on in the house of love

Now when the house is dark and you're all alone inside
You've gotta listen to your heart and put away your
foolish pride
Though the storm is breaking and thunder shakes the
walls
Love with a firm foundation ain't never, never, never
gonna fall

Well, I bet you any amount of money
He'll be coming back to you
Ooh, I know there ain't no doubt about it
Sometimes life is funny

You think you're in your darkest hour
When the lights are coming on in the house of love
Though the storm is breaking and thunder shakes the
walls

Love with a firm foundation ain't never, never, never
gonna fall

Well, I bet you any amount of money
He'll come back to you
Ooh, I know there ain't no doubt about it
Sometimes life is funny

You think you're in your darkest hour
When the lights are coming, lights are coming on

Well, I bet you any amount of money, baby
He'll be coming back to you, back to you, back to you
Ooh, I know there ain't no doubt about it
Sometimes life is funny

You think you're in your darkest hour
When the lights are coming on in the house of love,
ooh, yeah
Ooh, I know there ain't no doubt about it
Sometimes life is funny

You think you're in your darkest hour
When the lights are coming on in the house of love
