Amy Holland & Michael McDonald

I bruise you, you bruise me  
We both bruise too easily  
Too easily to let it show  
I love you and that's all I know

All my plans have fallen through  
All my plans depend on you  
Depend on you to help them grow  
I love you and that's all I know

When the singer's gone, let the song go on  
It's a fine line between the darkness and the dawn  
They say in the darkest night there's a light beyond

But the ending always comes at last  
Endings always come too fast  
They come too fast or they pass too slow

When the singer's gone, let the song go on  
It's a fine line between the darkness and the dawn  
They say in the darkest night there's a light beyond

But the ending always comes at last  
Endings always come too fast  
They come too fast or they pass too slow  
I love you and that's all I know  
It's all I know, all I know  
And that's all I know
