I'm not strong enough
Just to smile
And make things easy
I can't put on that
Brave face anymore

I always took it for granted
That I could take
Whatever you gave me
I guess you never
Really know for sure

Cause there was never
A doubt in my mind
How it was meant to be
So who do I turn to, darling
If you should leave me

How do I survive
If you break my heart
How do I survive
If you break my heart

I've got no excuses
For being your fool
I never thought that
It would be forever

But after so much time together
I've come to depend on you
What else am I supposed to do

Cause there was never
A doubt in my mind
It wouldn't be easy
But I never realized
How much you mean to me

How do I survive
If you break my heart
How do I survive
If you break my heart

But there was never
A doubt in my mind
How it was meant to be
So who do I turn to, darling
If you should leave me

How do I survive
If you break my heart
How do I survive

How do I survive
If you break my heart
If you break my heart

How do I survive
If you break my heart
If you break my heart

How do I survive
If you break my heart
How do I survive

How do I survive
If you break my heart...
