We laugh until we had to cry  
And we love down to our last goodbye  
We were the best  
I think we'll ever be  
Just you and me...  
For Just a Moment

We chase that dream  
that we never found  
And sometimes we let one another down

But the love we made  
made everything all right  
We shone so bright  
For Just a Moment

Time goes on  
People touch and they're gone  
And You and I  
will never love again  
like we did then

Someday when we both remenisce  
We both say there wasn't too much we missed

And through the tears (and through the tears)  
the smile when we recall  
We had it all  
For Just a Moment

Time goes on  
people touch and then they're gone  
But you and I will never really end  
Will Never Love again  
like we did then

We laugh  
until we had to cry  
And we love  
right down to our last goodbye
