Is this another conspiracy?
The Ruined stars ganging up on me
I wake the planet and it's underhand
It won't work, it won't work

It's the odd of deception dear
And to the author I guarantee to you
To steal the heart by the clover of dot
And getting me trapped
I'm not getting trapped
I'm Gonna

CHORUS:

Turn Out The Night!
I can be strong as long as there's daylight
Turn Out The Night!
Till I Get over him
Soon be over him

And Don't come up with your sympathy
Just keep your shadows away from me
You're wasting time on a heart like mine
It won't work, it won't work

You take advantage when I'm out of day
As my emotions fall in disarray
But you won't win I just won't give in
It's only a trap, I'm not getting trapped
I'm gonna

(CHORUS)

Any Day!
