I'll wait as long as it takes  
I'll wait as long as it takes  
(going through the rooftop  
and its charms to breathe)  
I'll wait as long as it takes  
(trying to run faster but  
the cobwebs running through your head)  
I'll wait as long as it takes  
(all the fake colours rest in me)

Your eyes cannot stop to  
(they're coming on your desert song)

Cry blood from your heart  
take two steps  
(silent lands are still to come)  
An cross your arms  
Play on my ribs  
Stop that breathing, it's all gone  
Stop that breathing, please  
I can't believe it's pale now  
But different grey  
This could be the time

A green light passed by  
And shifted in shade  
Above the sea  
The toxin coming  
Stop breathing her  
On broken harps  
I keep calling you  
And cobwebs keep kissing
