(by Bonnie Raitt)

Turn down the lights, turn down the bed  
Turn down these voices inside my head  
Lay down with me, tell me no lies  
Just hold me close, dont patronize - dont patronize me

Chorus: cause I cant make you love me if you dont  
You cant make your heart feel something it wont  
Here in the dark, in these lonely hours  
I will lay down my heart and Ill feel the power  
But you wont, no you wont  
cause I cant make you love me, if you don't

Ill close my eyes, then I wont see

The love you don't feel when youre holding me  
Morning will come and Ill do whats right  
Just give me till then to give up this fight  
And I will give up this fight  
Chorus: cause I cant make you love me if you dont  
You cant make your heart feel something it wont  
Here in the dark, in these lonely hours  
I will lay down my heart and I'll feel the power  
But you wont, no you wont  
cause I cant make you love me, if you don't
