Don't wanna see the stars  
Don't wanna see the moon  
Don't wanna see the sun  
That rises too soon

Don't wanna see the day  
Don't wanna see the night  
Oh the afternoon it feels  
About right

[Chorus]  
I am the spaceman, flying high  
I am the astronaut in the sky  
Don't worry, I'm okay now  
I am the light in the dark  
I am the match, I am the spark  
Don't worry, I'm okay now

After the sun  
Always comes the rain  
Followed by hurt  
And pain

After the light  
Comes the dark  
After the love  
Comes the breaking of my heart

[Chorus]

{guitar}

[Chorus]

Just dry your eyes and I'll be there  
Don't live for anger or despair  
Don't worry, I'm okay now  
I'm okay; I'm okay now.
