It is fading out of summertime
And Iâ€™m trying to find a different peace of mind
When it seems the world doesnâ€™t treat me right

And I am writing you a melody
Cuz our words have seemed so distant recently
I tried to tell you whatâ€™s on my mind
But you didnâ€™t seem to have the time
To shed some light
And keep me safe tonight

So carry on then, carry on
Carry on, then, carry on

And in the morning Iâ€™ll wake up again
And the new sunlight will lead me to forget
Today, when the world didnâ€™t treat me right

But for now this night has got no end
Cuz I wait for you, I thought you were my friend
And youâ€™d always lend a hand
But now I know exactly where you stand

Donâ€™t waste your time to keep me safe tonight

Heâ€™ll come home to me
And heâ€™ll ask me how Iâ€™ve been
And I will not say anything to him
As if this were a game I could win

But Iâ€™m not disappointed or let down
Cuz itâ€™s time my senses finally came around
To know when the world doesnâ€™t treat you
You canâ€™t expect just one to greet you

And all these distances may never be explained
But I suppose Iâ€™ll go on loving all the same
So donâ€™t think of me too much darling as you change

Just carry on then, carry on
Carry on then, carry on, oh carry on.
