CHORUS

Your grace and mercy, lord you gave me
Yes your grace and mercy was there for me
Lord your grace and mercy was what saved me
Your grace and mercy always preserved me

I couldn't think about myself
When I couldn't even help myself
Then I knew I couldn't save myself,
So my heart, my life to you I gave

CHORUS

Your grace and mercy, Lord you gave me
Yes your grace and mercy was there for me
Lord your grace and mercy was what saved me
Your grace and mercy always preserved me

2.

I couldn't take the credit
Because I know I don't deserve it
So ever day I'll sing your praises
Your grace and mercy that s so amazing (CHO)

BRIDGE: When the daylight fades and the darkness
invades

Lord you said you'd be there for me, only through
your grace and mercy yeah, yeah,

CHORUS

Overdub: Lord your love, your grace and your mercy
Was all I needed that day just to save me
When I was down and out couldn't see my way out
Lord you came and you gave me a word from your
mouth

And Lord I thank you today for you came and showed

me the way
Dear Lord I thank you today for the cross of Calvary

Lord your love, your grace and your mercy
Was all I needed that day just to save me
When I was down and out couldn't see my way out
Lord you came and you gave me a word from your
mouth
You said your love and mercy will always preserve me
Your love and your mercy will be there for me
Your love and your mercy that can save me
And Lord, I thank you today for your love
