1.

Every time I think of your love dear Lord I praise you
And every time I think of your precious blood I just
praise you too
And ever time I think of the way that you died, I just
praise you Lord
And every time I think of your presence I just read your
word oh, oh, oh, oh yeah oh, oh, oh, oh yeah

2.

Every time I see all your wondrous works I just praise
you Lord
And every time when things don't go right I
can't help it I praise you through
Whenever there are doubts and fears, I'll keep on
praising you
Whenever there are conflicts inside I'll just shout
out and praise you Lord
Oh, oh, oh, oh yeah oh, oh, oh, oh yeah

3.

I think about the birds in the trees and the fishes in the
seas, they praise you
I think about the bees and the eel and the parrot and
the seal they praise you
The beast and the eel and the parrot and the seal they
praise you
They praise you; they praise you oh, oh, oh, oh yeah
oh, oh, oh, oh yeah
I think about the bees and the eel and the parrot and
the seal
The land and the seas and the heavens and the breeze
they praise you, they praise you,
Oh, oh, oh, oh yeah oh, oh, oh, oh yeah
