#### Verse 1:

My little heart is swelling with a song from somewhere  
else  
It's filling up with glory and I'm ringing like a bell, yeah  
Oh, my little heart, my little heart is racing, yeah  
It's racing just to keep up with Your love and live to tell,  
and live to  
Tell  
And it's all I know

#### Chorus:

I'm following behind You and staying close beside You  
I've got nothin' to lose and I've got everything to find  
There's somethin' in Your laughter that keeps me  
runnin' after  
I'm breathing to the beat of Your heart and I'm leavin'  
the world behind  
No turning back

#### Verse 2

My violence, my vices, they don't keep me warm at  
night, no  
My worries and my wasted hopes look washed out in  
the light, yeah  
My little heart my little heart is flying  
My little heart it longs for the kindness in Your eye, in  
Your eyes

#### Chorus:

I'm following behind You and staying close beside You  
I've got nothin' to lose and I've got everything to find  
There's somethin' in Your laughter that keeps me  
runnin' after  
I'm breathing to the beat of Your heart and I'm leavin'  
the world behind

#### Bridge:

Though none go with me still I will follow,  
Though none go with me still I will follow,  
Though none go with me still I will follow,  
No turning back, No turning back

Chorus

I'm following behind You and staying close beside You  
I've got nothin' to lose and I've got everything to find  
There's somethin' in Your laughter that keeps me  
runnin' after  
I'm breathing to the beat of Your heart and I'm leavin'  
the world behind  
No turning back, no turning back, no turning back, no  
turning back
