Yeah, These are old shoes that iv'e been walking in  
I'm wearing weary like it's a second skin  
Iv'e been looking for a place to lay my head

All this time like a vagabond  
A homeless stranger, Iv'e been wondering  
All my life you've been calling me to a home  
you know iv'e been needing, i'm a broken stone  
So lay me in the house your building  
yeah, come on

you are shelter for every misfit soul  
we are the four walls you are the corner stone  
you are, and your're the solid rock that we are built  
upon

All this time like a vagabond  
A homeless stranger, iv'e been wondering  
All my life you've been calling me to a home  
you know iv'e been needing , i'm a broken stone  
So lay me in the house your building  
yeah, come on

cause in you i find my meaning, yeah  
and in you i find my beauty

All this time like a vagabond  
A homeless stranger, iv'e been wondering  
All my life you've been calling me to a home  
you know iv'e been needing

All this time like a vagabond  
A homeless stranger, iv'e been wondering  
All my life you've been calling me to a home  
you know iv'e been needing, i'm a broken stone  
So lay me in the house your building  
yeah, come on

So lay me in the house your building  
In the house your building
