Helpless inside a dream  
I felt so naked and empty  
Stripped me of everything  
Except my secrets

You wanted all my soul and I gave it to you  
You promised that our world would be happy and true

Chorus

Heaven can't save me from the demon you've made  
me  
Into your arms I've been chained, chained  
Damaged, defenseless and I've lost all my sense  
How to love, how to feel, how to touch what is real,  
what is real

Thoughts of my redemption  
Were spilling out in the water  
But how do I replenish  
When I have nothing to offer

I took your sympathy and I held it in my hand, in my  
hand  
Instead of loving me it slipped away like sand

Heaven can't save me from the demon you've made  
me  
Into your arms I've been chained, chained  
Damaged, defenseless and I've lost all my sense  
How to love, how to feel, how to touch what is real,  
what is real

I took your sympathy and I held it in my hand, in my  
hand  
Instead of loving me it slipped away like sand

Heaven can't save me from the demon you've made  
me  
Into your arms I've been chained, chained  
Damaged, defenseless and I've lost all my sense  
How to love, how to feel, how to touch what is real,

what is real
