I couldn't resist him
His eyes were like yours
His hair was exactly the shade of brown

He's just not as tall
But I couldn't tell
It was dark and I was lying down

You are everything
He means nothing to me
I can't even remember his name

Why're you so upset?
Baby, you weren't there
And I was thinking of you when I came

What do you expect?
You left me here alone
I drank so much and needed to touch

Don't overreact
I pretended he was you
You wouldn't want me to be lonely

How can I put it so you understand?
I didn't let him hold my hand
But he looked like you
I guess he looked like you
No, he wasn't you

But you can still trust me
This ain't infidelity
It's not cheating
Oh, you were on my mind

Yes, he looked like you
But I heard love is blind
