Runnin' down my batt - er - ies  
Layin' me out to rest  
Knowin' when that is  
Five hours  
I wake up and de-stress  
And I'm diggin' myself into a hole  
And these days I just work  
I will when I have so much sun

CHORUS:

And lately I've forgotten who I am  
Late - ely my energy's just drained away  
And now..my mind..is workin' overtime  
It's been a loooong day  
Such a long day, Æ?Â|ay, ay

mmm  
and while all my contempt  
For everyÆ?Â|(all my friends say)  
I should take in college now  
My education is dragging, dragging  
innit  
My guitar to London town  
And the thing that wakes me  
when I could sleep instead  
Is the thought that to deny?

That I could fall back into bed

Chorus:

And lately, I 've forgotten who I am  
Late - ely, my energy's just drained away  
And nowÆ?Â|my mindÆ?Â|.is workin' overtime  
It's been a loooooooooooooooooong day  
It's been a long day

Recently my head  
It ain't recharged as such  
And sleep can only cure, yeah  
A restless mind so much

Chorus:

Lately I've forgotten who I am  
Sleep too late  
My energy's just drained away  
And now my mind is workin' overtime  
It's been a long day  
It's been a long long long day  
It's been a long long long day  
It's been a long day  
So long, so long, so looooooooooong
