For you I was a flame  
Love is a losing game  
Five story fire as you came  
Love is a losing game

Why do I wish I never played  
Oh, what a mess we made  
And now the final frame  
Love is a losing game

Played out by the band  
Love is a losing hand  
More than I could stand  
Love is a losing hand  
Self professed, profound  
Till the chips were down  
Know you're a gambling man  
Love is a losing hand

Though I'm rather blind  
Love is a fate resigned  
Memories mar my mind  
Love is a fate resigned

Over futile odds  
And laughed at by the gods  
And now the final frame  
Love is a losing game
