Tears Dry On Their Own

All I can ever be to you is a darkness that we knew
And this regret I got accustomed to
Once it was so right
When we were at our high
Waiting for you in the hotel at night
I knew I hadn't met my match
But every moment we could snatch
I don't know why I got so attached
It's my responsibility
You don't owe nothing to me
But to walk away I have no capacity

He walks away the sun goes down
He takes the day but I'm grown
And in this grey,
In this blue shade
My tears dry on their own

I don't understand
Why do I stress the man?
When there's so many bigger things at hand
We could've never had it all
We had to hit a wall
So this is inevitable withdrawal
Even if I stop wanting you
And perspective pushes true
I'll be some next man's other woman soon
I cannot play myself again
Should just be my own best friend.
Not fuck myself in the head with stupid men

He walks away the sun goes down
He takes the day but I'm grown
And it's ok,
In this blue shade
My tears dry on their own

So we are history,
Your shadow covers me
The sky above ablaze

A blaze that only lovers see

He walks away the sun goes down
He takes the day but Iâ€™m grown
And in your way
In this blue shade
My tears dry on their own
I wish I could sing no regrets
And no emotional debt
Cause as we kissed goodbye the sun sets
So we are history
A shadow covers me
The sky above ablaze
That only lovers see

He walks away the sun goes down
He takes the day but Iâ€™m grown
And in your way
My blue shade
My tears dry on their own

He walks away the sun goes down
He takes the day but I am grown
And in your way
My deep shade
My tears dry on their own

He walks away the sun goes down
He takes the day but I'm grown
And in your way
My deep shade
My tears dry
