They tried to make me go to rehab, I said, "No, no, no"
Yes, I've been black but when I come back you'll know,
know, know
I ain't got the time and if my daddy thinks I'm fine
He's tried to make me go to rehab, I won't go, go, go

I'd rather be at home with Ray
I ain't got seventeen days
'Cause there's nothing, there's nothing you can teach
me
That I can't learn from Mr. Hathaway

I didn't get a lot in class
But I know we don't come in a shot glass

They tried to make me go to rehab, I said, "No, no, no"
Yes, I've been black but when I come back you'll know
know know
(You're now rockin' with the best Amy)

The man said, "Why do you think you here?"
I said, "I got no idea"
I'm gonna, I'm gonna lose my baby
So I always keep a bottle near

He said, "I just think you're depressed"
(The best Amy)
"Kiss me, yeah baby and go rest"

They tried to make me go to rehab, I said, "No, no, no"
Yes, I've been black but when I come back you'll know,
know, know

Yo, uh, more money more checks, I'm addicted
to fresh
6 pairs of kicks is my definition to twelve steps
Kick back in the back, get the fan in the drop
Bass blaring out my system, that's how I detox

Oh when will he stop? He's still pumping that
real shit
My flow so dumb my face is numb, shit I don't

feel shit
Where's your therapist? Yeah I'm out of control
They trying to make me go to rehab, I won't go, no

So I'm addicted, I'm Britney, Whitney and Bobby
Betty Ford ain't ready for this, ain't nothing could stop
me
Oh look he's collapsing, just look how he's
rapping
Every time I try to get out, it pulls me back in

Amy should have rehabbed 'em, but instead she
double this ration
Can you blame me for being a slave to my passion?
My heroin flows more lethal than Marilyn's nose
I'm gonna OD till I'm in peace like Anna Nicole

I don't ever wanna drink again
I just, ooh, I just need a friend
I'm not gonna spend ten weeks
Have everyone think I'm on the mend

And it's not just my pride
It's just 'til these tears have dried

He's tried to make me go to rehab, I won't go, go, go
