"Confirmation Of My Fear"

Try to close my mind, from the screams that I hear
repentance is denied, the confirmation of my fear
wipe away this bitter tear, to the confirmation of my
fear
wipe away this bitter tear, to the confirmation of my
fear.

Chorus:

Vanquished in the name of my God
the same to whom we all pray
vanquished in the name of your God
the same to whom you once prayed

our pleas for mercy, fall upon unhearing ears
take my life, my soul, the confirmation of my fear
wipe away this bitter tear, to the confirmation of my
fear
wipe away this bitter tear, to the confirmation of my
fear.
