

An Early Cascade "Dead In The Water"

Like stalling out
I am freezing
And there is no doubt
That the death feels pleasing
When no one joins my tune

I am dead in the water
Don't want to go any further
Oh I am dead in the water
And every move is getting harder

The bitter sound
Of a bottle dropping

Down to the ground
Where wights are stopping
Me straight from drinking up

I know that it is still far from over

I am dead in the water
Don't want to go any further
Oh I am dead in the water
And every move is getting harder
