If you say no
Say you go
And I will do so
Anytime you leave

Any wiser
I couldn't take it
I will uhuh hu
I will die from greed

Anytime you leave
Ah ah ah ahâ€!
Anytime you leave
Ah ah ah ahâ€!

If you say I
And
You do try
To forget you
I will treat you mean

Practise voodoo on you
And your latest lady
That's what you'll receive
Anytime you leave

Ah ah ah ahâ€!
Anytime you leave
Ah ah ah ahâ€!
Anytime you leave
Ah ah ah ahâ€!

I wil set your house on fire
Drown your clothes
And crush your cds

I wont leave you
(rest) in peace
'cause I believe that's
What you really need

Anytime you leave
Ah ah ah ahâ€¦
Anytime you leave
Ah ah ah ahâ€¦
Anytime you leave
Ah ah ah ahâ€¦

Hey, I warn you
I wont be ashamed to ask you aching
Why you have to leave
Anytime you leave
Why you make me bleed
Anytime you leave
You should leave for good
Why you're coming back
Stay away from me
If you ever leave
You should leave for good
Will you leave me be
Anytime you leave
