Leave me there  
By the fire  
Cover me  
With a blanket  
Over me dead body  
Hold on  
Take a sandwich  
And keep me company  
'Till I  
Ssssleeeep  
Over my dead body  
I'm so cold

Leave me here  
Think of nothing  
Or tell me everything  
About  
Usssss  
I'm so cold

We're walking  
Closely together  
In the park  
At night  
Almost full moon  
For lunatics and lovers  
I'm worthy of you

Darling  
I'm looking for protection  
After ten days of rain  
Everything is soaking wet  
Baby does make me  
Forget  
He said: "Oh what a love"
