Listen, listen  
I'm listening carefully,  
to where exactly you might be  
'cause I've had enough waiting,  
I've had enough waiting for you  
I'm thinking, I'm thinking  
Of growing old with someone  
as beautiful as you,  
Just ask me to  
and just ask me to  
You  
I'm recalling, recalling

Putting on jackets way too thin  
To fight against snow way too thick,  
And it coming down sideways  
and you clearing my eyes  
Oooh  
I've had a little too much to think,  
I've had a little too much to think,  
And empty rooms tend to make me believe in you  
Surrounded by everything I own  
boxed and labeled ready to go,  
And not before time, and not before time  
I'm listening,  
I'm listening
