oh my god you're a handful
and oh my god these hands are so small
oh my god I'm a handful
and oh my god your hands got so full of me
oh so completely

I thought what I need is a suitcase so I could pack this
all away
I thought what I need is a cold place so when it snowed
I could cuddle up to
someone I don't know
someone I don't know

But oh my god you're a handful
And oh my god these hands are so small
Oh my god I'm a hand full
And oh my god your hands got so full of me
Oh so completely

I thought what I need is a break face for one whole year
I burned so brightly
I thought what I need is a new place when I looked
around this was the town
that I found
oh that I found

Believe me believe me when I say
I don't want what I had yesterday
Believe me believe me when I say
I fell away for a month and one day
Believe me believe me when I say
I gave everything away
Believe me believe me when I say
I don't want what I had yesterday

But oh my god you're a handful
and oh my god these hands are so small
oh my god I'm a handful
and oh my god your hands got so full of me
Oh so completely

Oh my god

Oh my god
Oh my god
Oh my god
Oh my god
Oh my god
