I'm not really scared  
I just like the way that those words sound  
When they fall from my mouth  
And I say them to you out aloud

Sometimes my hands  
Clap louder than everyone else  
But that's the way it stands  
If I want to clap the loudest

But I got so scared  
That you might be  
A better me than me

You can take my socks  
But you damn well better leave my gloves  
'Cause I need my hands  
To be warm like everybody else's

Once my hands are warm  
I can give them to you and say  
Please do all you can  
But my fingerprints will stay the same

But I got so scared  
That you might be  
A better me than me

Yeah, I got so scared  
That you might be  
A better me than me

But we know someone who got so scared  
At the supermarket and you were there  
And I get to hold their hand  
'Cause they'll get scared again  
They'll get scared again

I'm not really scared  
I'm not really scared  
I'm not really scared  
I'm not really scared

I'm not really scared  
I'm not really scared  
I'm not really scared
