I'm a freak

spoken:

excuse me

what u said to me?

oh no u said that

no I'm not

I'm sorry but, you know

I ain't that kind of girl

look at me and see a little girl inside my skin

It's a supernatural

ooh

so don't be trying to push upon me baby

my momma told me better than that

the bigger you are

the harder you fall

I'm a bobby original

not typical

not ooh la la baby

you can hold me responsible

it's chemical

if you're bringin' it out in me

aaaaaah ah aaaaaaaaaaah

I'm a freak of nature

you better be aware, danger

aaaaaah ah aaaaaaaaaaah

I'm ur midnight angel

I'm a freak

come on yeah

I'm a freak of nature

I'm a little material, got bling bling

my glasses got a shade

yeah

but does it hit me

it chicken me

that barefoot walking in the grass

just cause I like sipping on champagne

doesn't mean that I'm afraid of the rain
