I don't know about you
But I'm ready to get funky
Pump it up, pump it up
outrageous

When you look at me, you can see through
All the things I'm trying to hide from you
I can't admit my feelings for you
I try to walk away but I can't resist

Your touch is so outrageous
So much it's so contagious
Your touch is so outrageous
So much it's so contagious

When I look at you, you look away
Now I know the rules of the game we play
You make your move, I counter attack
still I know I'm losing, cause I can't resist

Your touch is so outrageous
So much it's so contagious
Your touch is so outrageous
So much it's so contagious

When we play the game with no end
I walk right back to you
I can see you created the mood
So deal the hand that lovers play for

When you look at me, you can see through
All the things I'm trying to hide from you
I can't admit my feelings for you
I try to walk away but I can't resist

Your touch is so outrageous
So much it's so contagious
Your touch is so outrageous
So much it's so contagious

You make me feel so good

oh, don't get me start again

Your touch is so outrageous
So much it's so contagious
Your touch is so outrageous
So much it's so contagious
