Once again my words cannot describe you  
Once again I am small beside you  
Have mercy on me, I am so unworthy  
Shadow me beneath your wings

Abide in me, Jesus  
Live here in the place I safed just for you  
Abide in me, Jesus  
Draw near as I wait for you

Once again I am lost without you  
Once again there's no peace without you  
Have mercy on me, I just want to know you  
Cover me into your wings

Abide in me, Jesus  
Live here in the place I safed just for you

Abide in me, Jesus  
Draw near as I wait for you

I was a fool to search the world for empty places  
And I was a fool to look beyond your living spaces  
You are the hope that who's brokenness finds healing  
I have found where I belong

Abide in me, Jesus  
Live here as I wait for you  
Abide in me, Jesus  
Live here in the place I safed just for you  
Abide in me, Jesus  
Draw near as I wait for you  
Abide in me
